Index to JCCA volume 37 (1993)

Abstracts 57, 114, 179, 239
AIDS, quarterly surveillance update: AIDS in Canada 109
arthritis, septic arthritis of the hip: a case report 151
association, origins and early history of the National Chiropractic Association 27
athlete, College of Chiropractic Sports Sciences – Recommended initial parameters for guidelines of rehabilitation of the injured athlete 177
Angus DE: see Manga P, Angus DE, Swan WR 221

back, effective management of low back pain: it's time to accept the evidence 221
back, pelvic chondrosarcoma presenting as mechanical back pain: two case reports 15
BENIGN INTRACRANIAL HYPERTENSION: Crowther ER 22
Bishop PB: Intervertebral disc magnetic resonance image: correlation with gross morphology and biochemical composition 77
Book Reviews 120, 183, 245

calcification, cervical disc calcification in children as a cause of neck pain 210
Carey PF: A report on the occurrence of cerebral vascular accidents in chiropractic practice 104
Cassidy JD: see Hains F, Cassidy JD, Dust W 15
Cassidy JD: see Lefebvre S, Cassidy JD, Dzus AK 210
Cassidy JD: see Lefebvre S, Vallée D, Cassidy JD, Dzus AK 141
cauda equina, slow onset cauda equina syndrome: a case report 203
cerebral, a report on the occurrences of cerebral vascular accidents in chiropractic practice 104
cervical, differences by gender in the incidence of cervical and lumbar complaints of chiropractic patients at the Canadian Memorial Chiropractic College 145
CERVICAL DISC CALCIFICATION IN CHILDREN AS A CAUSE OF NECK PAIN: Lefebvre S, Cassidy JD, Dzus AK 210
chiropractic, development of chiropractic in the Canadian health care system 164
COLLEGE OF CHIROPRACTIC SPORTS SCIENCES – RECOMMENDED INITIAL PARAMETERS FOR GUIDELINES OF REHABILITATION OF THE INJURED ATHLETE 177
Chagnon JG: see Letters to Editor
children, cervical disc calcification in children as a cause of neck pain 210
chiropractic, origins and early history of the National Chiropractic Association 27
chondrosarcoma, pelvic chondrosarcoma presenting as mechanical back pain: two case reports 15

Coming Events 60, 124, 186, 247
Coté P: see Letters to Editor
Coulter ID: A wellness system: the challenge for health professionals 97
council, report from third annual meeting of Chiropractic Research Journal Editor's Council 13
Crowther ER: Benign intracranial hypertension 22
Crowther ER: Slow onset cauda equina syndrome: a case report 203
